## TRANSFER POLICY

1. Transfers are not routinely granted after teams are formed.
2. The Recreation Department and B.O.B.S. Organization make every effort to satisfy requests noted on the registration form. Requests must be made at the time of registration to be considered.
3. All players must continue to practice with the assigned team until transfer request is approved. Practicing with any other team is a violation of California Youth Soccer Association, Lodi Youth Soccer, Junior Olympic Softball, Babe Ruth and Bambino Baseball and local youth league rules.
4. Recreation Department transfers may take up to a week to review.
5. B.O.B.S. transfers may take up to a month to review. Remember, each transfer, if granted, requires another person to be moved in most cases. This makes any move very difficult.
6. A transfer request fee of \$10.00 per player must be attached to this form. Payment of transfer request fee does not guarantee a transfer approval.
